

**Well Care**  
HOSPICE

*Empowering you to  
live life on your terms.*

Every moment counts.  
Live them how *you* choose.

**Well Care Hospice** provides patients and their families physical and emotional comfort when it matters most. We offer patients a skilled team of caring professionals to ensure excellent medical, emotional, and spiritual care, as well as a variety of life-enhancing services.

#### **WHY CHOOSE WELL CARE HOSPICE SERVICES?**

By allowing Well Care to provide hospice services, families can empower their loved ones to live life on their terms. With the comfort and assistance that Well Care Hospice provides, patients often feel well enough to spend more time with their family and friends, and studies confirm they will live longer as well.

Choosing not to pursue hospice services, or waiting until the last minute to do so, can result in a more stressful and uncomfortable experience for patients and their families.

#### **WHAT MAKES WELL CARE DIFFERENT?**

Well Care Hospice provides patients and their families with the peace of mind that comes with knowing a team of skilled and caring professionals is at the ready.

Family owned and operated for over 30 years, Well Care understands the importance of family and of making every moment count. We know that choosing a caregiver for a loved one is a hard decision and we want to help.

#### **WHO IS ELIGIBLE FOR HOSPICE?**

Individuals eligible for hospice services have a serious illness that their physicians have certified has a life expectancy of six months or less, and the patient and family have chosen to proceed with comfort measures only.

#### **WHAT SERVICES DOES WELL CARE HOSPICE PROVIDE?**

Well Care Hospice utilizes a team-oriented approach to expert medical care, pain management, and emotional and spiritual comfort, expressly tailored to the patient's needs and wishes. Support will also be provided for the patient's family members. At the center of hospice and palliative care is the belief that everyone has the right to die pain-free and with dignity, and that their families will receive the necessary assistance to allow them to do so. Well Care Hospice services may include a hospice physician, registered nurse, medical social worker, chaplain, hospice aide, and trained volunteers. Bereavement care and other palliative therapies may also be included.

## **WHERE ARE WELL CARE SERVICES OFFERED?**

Well Care Hospice services can take place anywhere that a patient calls home. Studies show that patients who receive care in their home are happier and have an improved quality of life. Instead of spending time dealing with the in's and out's of a large medical facility, Well Care Hospice patients can rest and relax at home surrounded by their loved ones.

## **WHO PAYS FOR HOSPICE SERVICES?**

Hospice services are covered 100% by Medicare and Medicaid. Hospice coverage includes medications, medical equipment, and any supplies related to the treatment of an illness. Most private insurance companies also offer hospice benefits. The Well Care Hospice team will work with patients throughout the entire process to explore all available benefit options.

## **WHO CAN REFER SOMEONE TO HOSPICE?**

Anyone can refer someone for Well Care Hospice services. Whether it is a loved one or a neighbor, if the person appears to require assistance, they may be eligible for a variety of hospice services.
